Subject: Upcoming Trip to Europe

Dear Sara ,

I am writing to inform you about my trip across Europe. Our first destination will be London where we will stay for four days .there will be so much to see and to do; I hope the weather will be sunny and warm. Then we will take the train to Paris .we will do some sightseeing and we will visit the Louvre and the Eiffel tower, of course we will have some wonderful food in the small restaurants in the Latin quarters. After Paris, we will fly to Barcelona. It is situated in the north-east of the Iberian Peninsula; It is the second-largest city in Spain .we will take the bus to a small town on the coast where we will book a hotel for two days. We will relax on the beach and will visit famous landmarks before moving to Italy where we will spend the rest of the trip .I will write to you after the vacation to tell you how it went .

See you soon

Leila

Reading comprehension: Read the text carefully and do the following tasks
